ORDER INDICATING NONJURISDICTIONAL  
STATUS OF RIVERSIDE BANQUE PREMISES CORP.

BY THE COMMISSION:

On October 6, 1992, Riverside Banque Premises Corp. (Riverside) filed an application with this Commission for recognition of nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. The contact person is Mr. Charles Gisler and the mailing address is P.O. Box 370, Ft. Pierce, Florida 34954.

The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(1), (2), and (3)(j), Florida Administrative Code. Included with the application was a statement from Mr. Michael Bollinger, Vice President, that there is no charge for providing utility service; all costs of providing service are treated or recovered as operational expenses; the system provides water only; and the service territory is limited to Riverside located at 7590 S. Federal Highway, Port St. Lucie, FL 34952. Riverside is a bank that owns and operates a well for its daily use. There is no service provided to the public. Wastewater service is provided by the City of Fort Pierce. Furthermore, it acknowledged Section 837.06, Florida Statutes, regarding false statements.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, Florida Statutes, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."
