ORDER INDICATING NONJURISDICTIONAL STATUS
OF FORT PIERCE BOWL, INC. AND CLOSING DOCKET

BY THE COMMISSION:

On October 9, 1992, Fort Pierce Bowl, Inc. (FPBI) filed an application with this Commission for recognition of nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. FPBI is a bowling center located at 2500 North Federal Highway in Fort Pierce, Florida. Mr. Kenneth Matthews, Owner, filed the application on behalf of FPBI. The contact person for FPBI is Mr. Gary D. Wester.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. According to the application, water is provided only to the bowling center, there is no charge for providing the service, and all costs of providing service are treated or recovered as operational expenses. Wastewater service is provided by a private septic tank.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

In addition, the application form states that pursuant to Section 837.06, Florida Statutes, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Matthews acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Since, based on the facts as represented, FPBI will not be providing water service to the public for compensation, we find that it is not a utility pursuant to Section 367.021(12), Florida Statutes. However, should there be any change in circumstances or method of operation, the owner of FPBI or any successors in interest, must inform the Commission within 30 days of such change so that we may review the matter to determine whether nonjurisdictional status is still appropriate.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Fort Pierce Bowl, Inc., 2500 North Federal Highway, Fort Pierce, Florida 34946, is not a water utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owner of Fort Pierce Bowl, Inc. or any successors in interest, shall inform this Commission within 30 days of such a change so that we may re-evaluate the bowling center's nonjurisdictional status. It is further

ORDERED that Docket No. 921038-WU is hereby closed.

By ORDER of the Florida Public Service Commission this 24th day of November, 1992.
