ORDER INDICATING NONJURISDICTIONAL
STATUS OF SOUTHERN PRE-CAST, INC.

BY THE COMMISSION:

On November 3, 1992, Southern Pre-Cast, Inc. (Southern) filed an application with this Commission for recognition of nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. The contact person is Mr. Richard Tisdale and the mailing address is Route 3, Box 229, Alachua, Florida 32615.

The application was filed in accordance with Section 367.021(12), Florida Statutes and Rules 25-30.060 (1), (2), and (3)(j), Florida Administrative Code. Included with the application was a statement from Mr. Ron Lindsay, President, that: there is no charge for providing utility service, all costs of providing service are treated as operational expenses, the system provides water only, and the service area is limited to the concrete plant located off Highway 441, Alachua, FL. Southern Pre-Cast is a concrete plant which owns and operates a well for its daily use. There is no service provided to the public. Wastewater service is provided by a septic tank. Furthermore, it acknowledged Section 837.06, Florida Statutes, regarding false statements.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, Florida Statutes, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."
