DOCKET NO. 020507-TL  
ORDER NO. PSC-05-0475-CFO-TL  
ISSUED: May 3, 2005

ORDER GRANTING MCI'S MOTION FOR EXTENSION OF DURATION OF  
ORDER GRANTING CONFIDENTIALITY FOR DOCUMENT NO. 07180-03

On June 12, 2002, the Florida Competitive Carriers Association (FCCA) filed a Complaint against BellSouth Telecommunications, Inc. (BellSouth) and a Request for Expedited Relief seeking relief from BellSouth's practice of refusing to provide its FastAccess service to customers who receive voice service from an Alternative Local Exchange Carrier (ALEC). By Order No. PSC-02-0935-PCO-TL, issued July 12, 2002, the request for expedited relief was denied. On July 21 and 22, 2003, an administrative hearing was held in the above matter. On November 20, 2003, a recommendation was filed for consideration at the December 2, 2003, Agenda Conference. At the December 2, 2003, Agenda Conference, the post hearing recommendation was deferred.

On March 14, 2005, MCI WorldCom Communications Inc. and MCImetro Access Transmission Services, LLC (MCI) filed its Motion for Extension of Duration of Order No. PSC-03-0975-CFO-TL granting its Request for Confidential Treatment of Document No. 07180-03. MCI states that the reasons it asserted in support of the confidential treatment in the original Request for Confidential Treatment continue to pertain. MCI contends that specifically, there is still a need to protect customer specific-proprietary business information and information which is not subject to public disclosure.

Florida law presumes that documents submitted to governmental agencies shall be public records. The only exceptions to this presumption are the specific statutory exemptions provided in the law and exemptions granted by governmental agencies pursuant to the specific terms of a statutory provision. This presumption is based on the concept that government should operate in the "sunshine." Rule 25-22.006(4)(c), Florida Administrative Code, provides that it is the Company's burden to demonstrate that the documents fall into one of the statutory examples set out in Section 364.183, Florida Statutes, or to demonstrate that the information is proprietary confidential information, the disclosure of which will cause the Company or its ratepayers harm.

Based on the definition of proprietary confidential business information in Section 364.183(3), Florida Statutes, it appears that the material described herein is proprietary business information in accordance with Section 364.183, Florida Statutes, and Rule 25-22.006, Florida Administrative Code. The information at issue has been retained by our staff since this matter

remains open. This information has been previously granted the information confidential treatment, and MCI asserts that it continues to treat the information as confidential. Based on the foregoing, it is

ORDERED by Chairman Braulio L.
