Attention: Mr. Steve Tribble

Thank you for responding to our telephone call of this date, regarding the ORDER TO SHOW CAUSE we have just received.

In the order, you stated that notices were mailed on November 16, 1990 and again on January 3, 1991. We did not receive either of these notices. We believe these may have been mailed to an old address and were not forwarded. The company moved from the 1219 Abrams Road address about a year ago. We were not aware that this report was due until we finally received the notice that was mailed in February. A report was compiled and mailed to the Commission, with a check, in March. Your records indicate it was received on March 4, 1991.

In the past, we have relied on an outside firm to handle all P.U.C. correspondence, reports, etc. for us. We now have an in-house person to handle this function. This will allow us to have better control on these reports and produce them in a timely manner.

In view of the above circumstances, we would like to ask the Committee to reconsider the assessment of \$1000 against Excel Telecommunications, Inc.

Also, would you please have our address changed:

Permanent mailing address: P.O. Box 744114
Dallas, Texas 75374
Office location address: 12222 Merit Drive, Suite #500
Dallas, Texas 75251

Thank you for any consideration in this matter.

Sincerely,

Kenny A. Troott
