Dear Mr. Beard:

On behalf of the citizens of Putnam County, I want to thank you and the entire Public Service Commission for your cooperation and assistance. As you are aware, the County Commission had a request before the Commission for extended area service for several cities within the County. The request was heard on February 4, 1992, and the staff recommendation was approved by the Commission. This will be a great help to the citizens of Putnam County.

I have had the opportunity to appear before different Boards and Commissions in the last few years and none were run any smoother or efficiently than the Public Service Commission. This is certainly a credit to you and the other members.

It was also obvious to me that the commission is truly interested in actions that are helpful and beneficial to the public. Once again, thank you for your assistance and help with our request.

Sincerely,

BOARD OF COUNTY COMMISSIONERS
PUTNAM COUNTY, FLORIDA

Andrew F. Nixon
