RE: DOCKET NO. 940072-EI - Petition for approval of proposed pilot/experimental Real Time Pricing Program and the associated rate schedule by Gulf Power Company.

Issue 1: Recommendation that Gulf Power's proposed experimental real time pricing tariff, rate schedule RTP, be approved, provided the company furnishes the Commission with the following:

- 1) The pre-test load profiles of participating customers as customers begin taking service under the rate schedule.
- 2) A letter filed each quarter that details the total costs the company has incurred to provide service under the rate schedule. The letter should also provide the impact of the total costs on the company's earnings in terms of basis points as reflected in the monthly surveillance report filed with this Commission.
