DOCKET NO. 920260-TL

FILED: July 10, 1995

FLORIDA CABLE TELEVISION ASSOCIATION, INC.'S PREHEARING STATEMENT

The Florida Cable Telecommunications Association, Inc. ("FCTA"), pursuant to Rule 25-22.038(3), Florida Administrative Code, respectfully submits the following Prehearing Statement in the above-captioned docket.

A. WITNESSES/EXHIBITS

FCTA will present no witnesses. FCTA does not anticipate sponsoring any exhibits. FCTA reserves the right to later identify and present witnesses or exhibits as may be required by later filed testimony, the completion of discovery, or new issues identified at the prehearing conference.

B. BASIC POSITION

The Commission should reject Southern Bell's proposal concerning the \$25 million set for disposition in this proceeding. The plan will frustrate rather than promote competition. The Commission should similarly reject the proposal of Communications Workers of America as the proposal will create distortions in the marketplace and results that are contrary to the revised Chapter 364, Florida Statutes. The Commission should also not limit itself to the proposal of McCaw Communications of Florida. The Commission should instead adopt a solution that promotes competition and fosters the consumer benefits that full competition brings.

C. ISSUES

ISSUE ONE: Which of the following proposals to dispose of \$25 million for Southern Bell should be approved?

- (1) Southern Bell's proposal to implement the Extended Calling Service (ECS) plan pursuant to the tariff filed on May 15, 1995.

POSITION: No.

- (2) CWA's proposal to reduce each of the following by \$5 million:
 - (i) Basic "lifeline" senior citizens telephone service;
 - (ii) Basic residential telephone service;
 - (iii) Basic telephone service to any organization that is non-profit with 501(c) tax exempt status;
 - (iv) Basic telephone service of any public school, community college and state university;
 - (v) Basic telephone service of any qualified disabled ratepayer.

POSITION: No.

- (3) McCaw's and FMCA's proposal that a portion be used, if necessary to implement the decisions rendered in Docket No. 940235-TL.

POSITION: If adopted, the Commission should not limit itself to this proposal.

- (4) Any other plan deemed appropriate by the Commission.

POSITION: Yes, including actions to promote rapid competition so that consumers can immediately realize the benefits of competition and choice.

ISSUE TWO: If the Southern Bell proposal is approved, should the Commission allow competition on the Extended Service Calling Routes. If so, what additional actions, if any, should the Commission take?

POSITION: The Commission must permit competition on the Extended Service Calling routes pursuant to the new law.

ISSUE THREE: When should tariffs be filed and what should be the effective date?

POSITION: No position.

ISSUE FOUR: Should this docket be closed?

POSITION: No.

D. STIPULATED ISSUES/PENDING MOTIONS

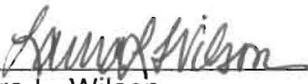

FCTA is unaware of any stipulated issues or pending motions at this time.

E. OTHER MATTERS

FCTA is unaware of any requirements of the Prehearing Order with which it cannot comply.

RESPECTFULLY SUBMITTED this 10th day of July, 1995.
