J. Stores and Nancy L. Stores, and the other deed refers to a piece of land that was purchased from John H. Turnham and Montette M. Turnham. Please describe which piece of land has the water plant and facilities and which has the wastewater plant and facilities.

The City of Jacksonville filed a motion for leave to request a hearing, but withdrew their motion. Therefore, once all the deficiencies are corrected and all information is provided we can go to the agenda for approval of the amendment. Regarding your revised tariff on the territory descriptions, it appears that some of the old description have some small errors. We will have to take the application back to the agenda to correct those small errors at a different agenda.

Please file an original and twelve copies of the requested information no later than October 10, 1997 with the Director, Division of Records and Reporting, 2540 Shumard Oak Boulevard, Tallahassee, FL 32399.

If you have any questions please call.

Sincerely,

Richard Redemann, P.E.
