Dear Ms. Bayo:

RE: Docket No. 99/008 - 7 C Waiver of Rule 25-24.515(8), F.A.C.

Enclosed please find the original and 5 copies of our request for waiver of Rule 25-24.515(8), F.A.C. which we ask you file in the above captioned matter

We request that the pay telephones located at the addresses below be exempted from the provisions of Rule 25-24.515(8). Florida Administrative Code, which requires that all pay telephone stations must allow incoming calls to be received "with the exception of those located at penal institutions, hospitals, and schools and at locations specifically exempted by the Commission." The locations and numbers of the public telephones are as follows:

3476 2nd Avenue North Lake Worth, FL 33461	(561) 965-8376
3476 2nd Avenue North Lake Worth, FL 33461	(561) 966-8845

Ms. Blanco S. Bayo July 28, 1997 Page 2

114 E. Fee Avenue Melbourne, FL 32901 (407) 722-9476

This waiver is being requested in accordance with the requirements of Florida State Statutes Section 120.542(2). Granting this waiver will not impede the continued provision of pay telephone service to the using public as intended by the underlying Statute (section 364.345).

In addition, as explained below, granting this waiver will lift the "substantial hardship" that the rule imposes on law enforcement, the location provider and the law abiding using public. The Police Department has requested that we submit this request for a waiver of the rule because of the use of the pay telephones at these locations for allegedly illegal activities. They believe the waiver will restrict the usefulness of the pay telephones for these individuals. This location does not fit within the delineated exceptions to the rule and therefore this request for waiver is appropriate. The location provider for the locations identified above has either joined in or agreed to this request for waiver which is attached

Please advise by Order if our request for the waiver has been accepted

Sincerely,
Paula Smill

Assistant Vice-President - Regulatory

RellSouth Public Community BellSouth Public Communications, inc. Ms. Blanco S. Bayo July 28, 1997 Page 3

Tallahassee, Florida 32399-0850

Dear Ms Bayo:

RE Docket No. Waiver of Rule 25-24.515(8), F.A.C.

Enclosed please find the original and 5 copies of our request for waiver of Rule 25 24 515(8), F.A.C. which we ask you file in the above captioned matter

We request that the pay telephones located at the addresses below be exempted from the provisions of Rule 25-24.515(8), Florida Administrative Code, which requires that all pay telephone stations must allow incoming calls to be received "with the exception of those located at penal institutions, hospitals, and schools and at locations specifically exempted by the Commission." The locations and numbers of the public telephones are as follows:

3476 2nd Avenue North Lake Worth, FL 33461 (561) 965-8376 3476 2nd Avenue North Lake Worth, FL 33461

1981 Northeast 135th Street (305) 940-2279 Miami, FL 33181

1981 Northeast 135th Street (305) 940-2237 Miami, FL 33181

Ms Blanco S Bayo July 28, 1997 Page 2

114 E Fee Avenue Melbourne, FL 32901 (407) 722-9476

This waiver is being requested in accordance with the requirements of Florida State Statutes Section 120.542(2). Granting this waiver will not impede the continued provision of pay telephone service to the using public as intended by the underlying Statute (section 364.345).

In addition, as explained below, granting this waiver will lift the "substantial hardship" that the rule imposes on law enforcement, the location provider and the law abiding using public. The Police Department has requested that we submit this request for a waiver of the rule because of the use of the pay telephones at these locations for allegedly illegal activities. They believe the waiver will restrict the usefulness of the pay telephones for these individuals. This location does not fit within the delineated exceptions to the rule and therefore this request for waiver is appropriate. The location provider for the locations identified above has either joined in or agreed to this request for waiver which is attached.

Please advise by Order if our request for the waiver has been accepted

Facility Amely

Assistant Vice-President - Regulatory

Please acknowledge receipt of this request for waiver by signing and returning the extra copy of this letter in the enclosed stamped, self-addressed envelope

Director, Records and Reporting
Florida Public Service Commission

Tallahassee, Florida 32399-0850

Dear Ms. Bayo:

RE: Docket No. Waiver of Rule 25-24.515(8), F.A.C

Enclosed please find the original and 5 copies of our request for waiver of Rule 25 24 515(8), F.A.C. which we ask you file in the above captioned matter

We request that the pay telephones located at the addresses below be exempted from the provisions of Rule 25-24.515(8). Florida Administrative Code, which requires that all pay telephone stations must allow incoming calls to be received "with the exception of those located at penal institutions, hospitals, and schools and at locations specifically exempted by the Commission." The locations and numbers of the public telephones are as follows:

3476 2nd Avenue North Lake Worth, FL 33461	(561) 965-8376
3476 2nd Avenue North Lake Worth, FL 33461	(561) 966-8845
1981 Northeast 135th Street Miami, FL 33181	(305) 940-2279
1981 Northeast 135th Street Miami, FL 33181	(305) 940-2237

UBUUZ AUG-OG FPSC-RESCHOSZAEPORTING Ms Blanco S Bayo July 28, 1997 Page 2

114 E. Fee Avenue Melbourne, FL 32901 (407) 722-9476

This waiver is being requested in accordance with the requirements of Florida State Statutes Section 120.542(2). Granting this waiver will not impede the continued provision of pay telephone service to the using public as intended by the underlying Statute (section 364.345).

In addition, as explained below, granting this waiver will lift the "substantial hardship" that the rule imposes on law enforcement, the location provider and the law abiding using public. The Police Department has requested that we submit this request for a waiver of the rule because of the use of the pay telephones at these locations for allegedly illegal activities. They believe the waiver will restrict the usefulness of the pay telephones for these individuals. This location does not fit within the delineated exceptions to the rule and therefore this request for waiver is appropriate. The location provider for the locations identified above has either joined in or agreed to this request for waiver which is attached

Please advise by Order if our request for the waiver has been accepted

Ms Blanca S. Bayo Director. Records and Reporting Florida Public Service Commission 2540 Shumard Oak Boulevard Betty Easley Conference Center, Rm. 110 Tallahassee, Florida 32399-0850

Dear Ms Bayo

Enclosed please find the original and 5 copies of our request for waiver of Rule 25-24 515(8), F.A.C. which we ask you file in the above captioned matter

We request that the pay telephones located at the addresses below be exempted from the provisions of Rule 25-24.515(8), Florida Administrative Code, which requires that all pay telephone stations must allow incoming calls to be received "with the exception of those located at penal institutions, hospitals, and schools and at locations specifically exempted by the Commission." The locations and numbers of the public telephones are as follows:

3476 2nd Avenue North	(561) 965-8376

114 F Fee Avenue Melbourne, FL 32901 (407) 722-9476

This waiver is being requested in accordance with the requirements of Florida State Statutes Section 120.542(2). Granting this waiver will not impede the continued provision of pay telephone service to the using public as intended by the underlying Statute (section 364.345).

In addition, as explained below, granting this waiver will lift the "substantial hardship that the rule imposes on law enforcement, the location provider and the law abiding using public. The Police Department has requested that we submit this request for a waiver of the rule because of the use of the pay telephones at these locations for allegedly illegal activities. They believe the waiver will restrict the usefulness of the pay telephones for these individuals. This location does not fit within the delineated exceptions to the rule and therefore this request for waiver is appropriate. The location provider for the locations identified above has either joined in or agreed to this request for waiver which is attached.

Please advise by Order if our request for the waiver has been accepted

Dear Ms. Bayo:

Miami, FL 33181

RE Docket No. Waiver of Rule 25-24.515(8), F.A.C.

Enclosed please find the original and 5 copies of our request for waiver of Rule 25-24 515(8), F.A.C. which we ask you file in the above captioned matter

We request that the pay telephones located at the addresses below be exempted from the provisions of Rule 25-24.515(8), Florida Administrative Code, which requires that all pay telephone stations must allow incoming calls to be received "with the exception of those located at penal institutions, hospitals, and schools and at locations specifically exempted by the Commission." The locations and numbers of the public telephones are as follows:

3476 2nd Avenue North Lake Worth, FL 33461	(561) 965-8376
3476 2nd Avenue North Lake Worth, FL 33461	(561) 966-8845

This waiver is being requested in accordance with the requirements of Florida State Statutes Section 120.542(2). Granting this waiver will not impede the continued provision of pay telephone service to the using public as intended by the underlying Statute (section 364.345).

In addition, as explained below, granting this waiver will lift the "substantial hardship" that the rule imposes on law enforcement, the location provider and the law abiding using public. The Police Department has requested that we submit this request for a waiver of the rule because of the use of the pay telephones at these locations for allegedly illegal activities. They believe the waiver will restrict the usefulness of the pay telephones for these individuals. This location does not fit within the delineated exceptions to the rule and therefore this request for waiver is appropriate. The location provider for the locations identified above has either joined in or agreed to this request for waiver which is attached

Please advise by Order if our request for the waiver has been accepted

This waiver is being requested in accordance with the requirements of Florida State Statutes Section 120.542(2). Granting this waiver will not impede the continued provision of pay telephone service to the using public as intended by the underlying Statute (section 364.345).

In addition, as explained below, granting this waiver will lift the "substantial hardship" that the rule imposes on law enforcement, the location provider and the law abiding using public. The Police Department has requested that we submit this request for a waiver of the rule because of the use of the pay telephones at these locations for allegedly illegal activities. They believe the waiver will restrict the usefulness of the pay telephones for these individuals. This location does not fit within the delineated exceptions to the rule and therefore this request for waiver is appropriate. The location provider for the locations identified above has either joined in or agreed to this request for waiver which is attached.

Please advise by Order if our request for the waiver has been accepted

Sincerely.

Paula Anula
