RE: Docket No. 961321-WS - Application for certificates to provide water and wastewater service by Point Water and Sewer Inc. in Clay County.

Dear Mr. Lindell:

Thank you for your letter of October 13, 1997, in which you provide a status report on the progress of settlement negotiations between the parties to the above-referenced docket. Please keep us informed of any new developments in this regard.

This is also to respond to your request for an extension until December 3, 1997, for the Point Property Owners Association (PPOA) to respond to the Commission staff's first set of interrogatories and first request for production of documents propounded on August 28, 1997. We are willing to grant this request, and will thus expect to have your responses to these discovery requests by December 3, 1997.
