**RE:** Cancellation of Audit in Docket No. 970273-WU, Request for approval of transfer of water facilities of Duval Utility Company to Clay County Utility Authority and cancellation of Certificate No. 299-W in Clay County

On April 4, 1997, I requested an audit for this docket to determine the rate base for transfer purposes for the transfer of Duval Utility Company to Sun Coast Utility. As you are aware, prior to completion of the transfer to Sun Coast Utility, the utility facilities were transferred to the Clay County Utility Authority. Duval Utility Company subsequently filed a new application to request approval of the transfer of the utility to Clay County. Therefore, an audit is no longer needed. I am writing to officially request that you cancel the audit that was initiated in this docket. Thank you for your assistance. Please feel free to call me if you have any questions or need any additional information to cancel the audit.
