Rick, please respond to this e-mail.  
Kay

Kathy, when this docket was opened,  
there were TWO rules cited as being  
violated--4.043 and 4.019. The recom.  
only mentions 4.043. Should 4.019 be  
deleted from the docket title? Kay

Clayton, please investigate and advise  
Kay what the title should be. She  
needs this info ASAP. Thanks.

TPC provided the missing records in  
between the time the docket was open  
and the rec filing. 4.019 was dropped  
at that time.

Based on this e-mail, we will drop the  
reference to 4.019 in the docket title  
in CMS. (Linda, please handle. Thanks.  
Kay)
