Dear Commissioners:

I am a landowner in Marion County, Florida. Recently I was informed that Florida Water Services Inc. (WS) has submitted an application to amend its Marion Oaks water and wastewater service area that includes my land.

I have not been contacted by representatives of FWS nor I have I requested service from the utility and yet they are attempting to certificate my land. Futhermore, the Marion Oaks system has much higher user rates than other utilities in the County.

My reasons for not wanting to be included in this proposed certification include:

1. The way my land is developed I have well + septic.
2. I do not need a company to provide me something I've got
3. I do not need another bill for something I don't ~~need~~ need.

APP For these reasons I object to the proposed certification amendment to increase the

CAF Marion Oaks water and wastewater service area.
