Re: Advice Letter No. 9
Westinghouse Electric Corporation
d/b/a Westinghouse Communications

Dear Mr. D'Haeseleer:

Westinghouse Electric Corporation, d/b/a Westinghouse Communications holds certificate of public convenience number 2481 which was issued by the Florida Public Service Commission ("Commission") on October 23, 1990. The company has recently changed its name to CBS Corporation d/b/a Westinghouse Communications. Enclosed is a copy of evidence of the name change issued by the Florida Department of State. The company's address, telephone numbers, operations, and corporate structure have not changed as a result of the name change.

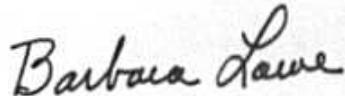

Also enclosed is an original and three (3) copies of revisions to Florida P.S.C. Tariff No. 1. The tariff pages have an issue date is May 8, 1998 and an effective date of May 13, 1998. The following pages are being revised:

- 9th Revised Sheet 2
- 3rd Revised Sheet 6
- 2nd Revised Sheet 6.1
- 2nd Revised Sheet 6.3

The purpose of the tariff revisions is to change the name of the company from Westinghouse Electric Corporation to CBS Corporation on those pages where the company's name appears in the body of the tariff. Pursuant to a discussion with staff, I've also enclosed labels for those pages where the name of the company only appears in the header of the tariff.

So that our records will be complete please date stamp the extra copy of this transmittal letter and return in the enclosed self-addressed postage-paid envelop. Any questions regarding this filing should be directed to Barbara Lowe of Visiology, Inc. who may be reached via telephone at (205) 330-1702. Thank you for your assistance in this matter.

Yours truly,

Barbara Lowe
Consultant To Westinghouse Electric Corporation
