

NOTICE IS HEREBY GIVEN by the Florida Public Service Commission that Alabama Electric Cooperative's petition for waiver of Rule 25-22.071, Florida Administrative Code, filed May 14, 1998, in Docket No. 980652-EC was approved by the Commission at its June 30, 1998 Agenda Conference. Order No. PSC-98-0952-FOF-EC, issued July 14, 1998, memorialized the decision. The rule addresses requiring electric utilities in Florida with a generating capacity of over 250 megawatts (mW) to file a Ten-Year Site Plan each year outlining their plans to build capacity or transmission facilities in Florida. The petition was approved on the basis that the purpose of the underlying statute would be achieved by other means and application of the rule would create substantial hardship. Notice of the petition was published in the FAW on June 5, 1998. A copy of the Order can be obtained from the Division of Records and Reporting, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, (850) 413-6770.
