NOTICE OF PROPOSED AGENCY ACTION
ORDER APPROVING PAYMENT INTO GENERAL REVENUE FUND

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

CASE BACKGROUND

Our staff routinely conducts evaluations of pay telephones for compliance with our rules. For these evaluations, our staff initiates 0+ direct dialed credit card calls and reviews billed rates for compliance with Rule 25-24.630(1)(a), Florida Administrative Code, and Order No. 24101, issued February 14, 1991, in Docket No. 860723-TP. Following such an evaluation, our staff determined that Intellicall Operator Services, Inc. (IOS) had billed \$2.30 for a two minute test call, which exceeded its tariffed rates for calls from payphones. Our staff found that IOS had improperly rated a service charge and the per-minute toll rates in violation of Rule 25-24.630(1)(a), Florida Administrative Code. On March 5, 1998, our staff informed IOS that IOS had billed calls in excess of its tariffed rates and requested additional information regarding this matter.

ORDER NO. PSC-98-1194-FOF-TC
DOCKET NO. 980779-TC
PAGE 2

IOS responded to the inquiry on March 20, 1998, and April 28, 1998. IOS stated that the service charge and per-minute toll rates had, in fact, been improperly rated for the pay phone in question. IOS stated that an error had occurred when its employees input the Automatic Number Identification (ANI). IOS reported that it had overcharged customers \$154.84, because of 316 improperly rated calls placed during the period September 26, 1997, through March 27, 1998, from 41 individual phone numbers. Each call was over billed \$0.49.

On May 29, 1998, IOS was directed to remit the overcharges through credits or checks to the affected consumers. IOS was also directed to notify our staff regarding any unrefundable amounts. On June 15, 1998, IOS requested that it be allowed to make a voluntary payment in the amount of \$500.00 to the State of Florida General Revenue Fund, instead of making numerous individual refunds or reducing its rates. IOS's proposal is attached and incorporated in this Order as Attachment A.

DETERMINATION

Upon consideration, we find that IOS's proposal is appropriate in view of the amount to be refunded and the cost of the refund process. Therefore, we hereby accept IOS's proposal to pay \$500.00 to the State of Florida General Revenue Fund, instead of making individual refunds to customers.

Based on the foregoing, it is therefore

ORDERED by the Florida Public Service Commission that Intellicall Operator Services, Inc.'s proposal to pay \$500.00 to the State of Florida General Revenue Fund is approved. It is further

ORDERED that Intellicall Operator Services, Inc. shall remit \$500.00 to the Florida Public Service Commission for deposit in the State of Florida General Revenue Fund, pursuant to Section 364.285(1), Florida Statutes, within 5 days of the date that this Order becomes final. It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective unless an appropriate petition, in the form provided by Rule 28-106.201, Florida Administrative Code, is received by the Director, Division
