Kim said we're to be getting a fax from
Ayesha Roberson in this docket. She will
follow it with an original. The letter
will advise that she is no longer
associated with her partner in the
business and that the partner's name
should be removed as second liaison in the
docket and MCD.

Please be on the lookout for the fax.

Good afternoon Kay. I didn't know who
to send this to, so could you forward
to the correct person.

I am reviewing this company's
application and page 7 is missing.
Before I call the company, could you
tell me if it was filed and just
omitted from the copy I received or did
the company not file it? Thanks.

Page 7 is missing from the copy in our
file.

Since you'll have to call them, please
also ask that they send us the ORIGINAL
application. What we have in the file
is a copy. Ask them to put the docket
number on it when they send it also,
please. Thanks. Kay
