3. In this docket, the Commission will examine the necessity of giving incentives for wholesale sales.

4. FIPUG is an organization of large industrial consumers. The cost of electricity constitutes one of FIPUG's members' largest variable costs. Because FIPUG members will bear the cost of any incentives permitted, they have a substantial interest in the Commission's actions in this docket.

WHEREFORE, FIPUG requests that the Commission grant FIPUG's petition to intervene and accord it full party status in this docket.
