FPSC-RECORDS/REPORTING

On information and belief, due to transactions involving USLD Communications, Inc. and Omni Communications, Inc., the proposed action would affect the substantial interests of USLD, Inc. by imposing penalties on an entity in which it holds a corporate interest. This protest is being filed in order to provide an opportunity to USLD, Inc., to ascertain the pertinent facts and identify the actions and steps necessary to protect its interests.

4. Disputed Issues of Fact:

Petitioner is unable to identify specific issues of fact at this time.

5. Ultimate Facts Alleged:

The action proposed in the above order should not become final before Petitioner has an adequate opportunity to protect its interests by complying with applicable regulatory requirements, as appropriate.

6. Demand for Relief:

WHEREFORE, Petitioner requests the Commission to afford an opportunity for hearing and provide other relief deemed appropriate once all the relevant circumstances have been established.
