I talked with Denise Vandiver concerning these confidential documents. She agreed that we need to open a docket to address City Gas's request for confidentiality. Please open a docket entitled:

Request for confidentiality of documents and information provided during staff surveillance audit for historical 12-month period ended September 30, 1999, by City Gas Company of Florida. Audit Control No. *)

Use today's date (5/22/00) as the docket established date.

*Please get the correct audit control number from staff's workpapers. I believe the company may have used the wrong number, or may have put hyphens in the wrong places on the number it provided in its request.
