Tallahassee, FL 32399-0850

Re: Docket No. 981444-TP (No. Utilization)

Dear Ms. Bayó:

Enclosed is an original and fifteen copies of BellSouth Telecommunications, Inc.'s Motion for Variance of Number Pooling Requirement for 1AESS Switches, which we ask that you file in the captioned docket.

A copy of this letter is enclosed. Please mark it to indicate that the original was filed and return the copy to me. Copies have been served to the parties shown on the attached Certificate of Service.

Sincerely,

Nancy B. White

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In Re: Number Utilization Study)
 Investigation into Number)
 Conservation Measures)
 _____)

DOCKET NO. 981444-TP

FILED: July 28, 2000

**MOTION FOR VARIANCE OF NUMBER POOLING
REQUIREMENT FOR 1AESS SWITCHES**

COMES NOW, BellSouth Telecommunications, Inc. ("BellSouth"), and files its Motion for Variance of Number Pooling Requirement for 1AESS Switches. In support of its Motion, BellSouth states the following:

1. On September 15, 1999, the Federal Communications Commission issued Order No. 99-249, granting the Florida Public Service Commission ("Commission") authority to implement interim number pooling.

2. On May 30, 2000, the Commission issued Order No. PSC-00-1046-PAA-TP accepting the parties offer of settlement, as modified in the order, requiring all local number portability capable (LNP) carriers to implement number pooling in the 954, 561, and 904 by January 22, 2001, February 5, 2001 and April 2, 2001, respectively.

3. The 1AESS switch is a first generation digital switch manufactured by Lucent Technologies ("Lucent"). BellSouth currently has nineteen (19) 1AESS switches in Florida. (See Exhibit 1) Of the 19 switches, ten (10) switches are in the three metropolitan statistical areas (MSAs) where the Commission has required number pooling to be implemented by April 2, 2001.

4. In approximately late May or early June of 2000, BellSouth became aware that Lucent did not intend to develop the software necessary to implement number pooling in the 1AESS switch due to Lucent's announced discontinuance of support for the

DOCUMENT NUMBER-DATE

FPSC-RECORDS/REPORTING

1AESS switch in the fourth quarter 2003. At this time, BellSouth is not aware of any potential workaround that will allow the 1AESS switches to participate in number pooling.

5. BellSouth's current schedule indicates that eighteen of the nineteen 1AESS switches in Florida will be replaced by the end of the fourth quarter of 2003. The last 1AESS switch is currently scheduled for replacement in July 2004. The current average replacement cost of each 1AESS is approximately \$8.5 million.

6. BellSouth has completed its initial review of the number blocks available to be donated to the pools for each exchange once number pooling begins in these three NPAs.¹ Based on this review, the ten 1AESS switches in these NPAs contain only 21 Non-Contaminated² and 16 Contaminated³ blocks. (See Exhibit 2)

7. BellSouth requests that the Commission grant BellSouth a variance from Order No. PSC-00-1046-PAA-TP, for technical reasons with regard to the 1AESS switches in Florida until such time as those switches are replaced. BellSouth does not believe granting the requested variance will adversely impact the implementation of number pooling in these NPAs. BellSouth will implement number pooling in the switches that replace the 1AESS switches at the time of replacement. In addition, BellSouth will continue to comply with the Commission's number management requirements. These requirements will ensure that at the time of replacement, the maximum number of 1000 blocks available for donation will be protected from contamination.

¹ BellSouth's initial review is the first step in preparing its numbering resources for pooling.

² Non-Contaminated means no telephone numbers have been assigned in the 1000 block.

³ Contaminated means less than 10% or 100 telephone numbers have been assigned in the 1000 block

WHEREFORE, BellSouth requests that the Commission grant its Motion for
Variance of Number Pooling Requirement for 1AESS established in Commission Order
No. PSC-00-1046-PAA-TP.

Respectfully submitted this 28th Day of July, 2000.
