RE: Docket No. 001406-TX

Dear Ms. Gifford:

On November 30, the Commission received your check for the 1999 Regulatory Assessment Fee, including statutory penalty and interest charges. In addition, you wrote a letter to the Commission requesting voluntary cancellation of GE's ALEC certificate.

The Regulatory Assessment Fee is due until a certificate is cancelled if that certificate is active for any day during a calendar year. This means that GE also owes the 2000 fee. Rule 25-24.820(2)(a), Florida Administrative Code, provides that in its request for cancellation, the company must provide a "statement of intent and date certain" to pay the fee. The 2000 returns are due to be mailed shortly and will be due by January 30, 2001. However, before I can recommend voluntary cancellation, the company needs to comply with the above rule by advising us of the date certain the 2000 fee will be paid. As soon as your letter is received, I will schedule this to recommend acceptance of your request with an effective date of November 30, 2000.

Please respond by December 22, 2000. If you have any questions, just let me know. I can be reached at (850) 413-6502-voice, (850) 413-6503-fax, and by internet e-mail at [pisler@psc.state.fl.us](mailto:pisler@psc.state.fl.us).
