RE: Revised Recommendation for Docket No. 010030-TP - Petition by Verizon Florida Inc. And Verizon Select Services Inc. for Limited Waiver of Rule 25-4.118, F.A.C.

A revised recommendation for Docket No. 010030-TP is attached. The changes are:

Page 2 On the morning of February 23, 2001, staff learned that Sprint filed comments (Attachment E, page 34) to the FAW Notice of Petition of Waiver of Rule 25-4.118, Florida Administrative Code, at 4:48 pm on February 22, 2001. Sprint's comments were received after staff had filed this recommendation meeting the noon deadline for filing on February 22, 2001.

Page 9 Sprint did not file any comments to the FAW Notice on February 22, 2001. Sprint generally concurs in the comments of BST. Sprint's fundamental objection to the waiver is that VSSI's customers must be accepted by Sprint without regard to their credit status or even whether the customer may have a bad debt to Sprint for prior service. Sprint believes that accepting these customers would be a violation of its tariff and believes that a waiver request is not appropriate for seeking to have another company's tariff set aside.

Page 10 However, BST has strongly objected to VSSI's and VFI's request that BST be ordered by the Commission to serve the affected customers and, thus far, Sprint has remained silent on the matter objected for the same reasons as BST.
