This company returned its 2000 RAF form with no payment, but with a letter advising it was not a telecommunications company. I wrote the company 1/17/01 and included a copy of the cancellation rule and advised that it needed to pay the 2000 RAF. I opened the docket 3/5 because they never responded or paid the RAF. Did they send a check with their latest letter? Please send me a copy. The new letter should go in this docket. Thanks.

Hi Paula. I have a letter from Intraco saying they paid for a license in 5/00 and they are a Virtual Office Service Company and requesting cancellation immediately.

I see that the above docket was opened for PSC cancellation.

Please advise. Thanks.
