Dear Ms. Bayo,

AmeriCall failed to file the required regulatory assessment fee (RAF) in a timely basis. There was a coordination failure as a result of our replacing our companies' controller. I would expect that any future delays or failures of this sort would not take place. It is our desire to continue to provide telephone service in Florida and we seek to propose a settlement with the commission.

Docket Number: 010513-TC

Check included in the amount of \$162.18

\$3.18 past due from 1999
\$59.00 for year ending 2000
\$100.00 proposed penalty

AmeriCall has solidified its staff and will be more pro-active in assuring that assessments and filings of this nature are not delayed in the future.

AmeriCall understands that is it bound by the authority of the Commission and that failure to comply with requirements of this nature in the future may result with the cancellation of our certificate, at the discretion of the Commission.

Please advise if any further information is required.
