MOTION OF THE LIQUIDATING TRUSTEE FOR ORDER ALLOWING CLAIMS IN ACCORDANCE WITH LIQUIDATING PLAN

TO THE HONORABLE JUDGE MARY F. WALRATH, UNITED STATES BANKRUPTCY JUDGE:

Goldin Associates, L.L.C., in its capacity as Liquidating Trustee (the "Liquidating Trustee") for the Worldwide Direct Liquidation Trust (the "Liquidating Trust") created in accordance with the Second Amended Consolidated Liquidating Chapter 11 Plan For SmarTalk TeleServices, Inc., And Affiliates, Proposed By The Debtors And By The Official Committee Of Unsecured Creditors (as subsequently confirmed and modified, the "Plan"), requests that this Court enter an order: (i) determining that certain Claims described herein are Allowed Claims; and (ii) establishing the allowed amount and priority of distribution for each such Claim. In support of the relief requested, the Liquidating Trustee would respectfully show as follows:

¹ Capitalized terms not otherwise defined herein shall have the same meaning as defined in the Plan.

I. JURISDICTION

- 1. This Court has jurisdiction over these cases pursuant to 28 U.S.C. §§ 1334 and 157. This Court has venue over this matter under 28 U.S.C. §§ 1408 and 1409.
 - 2. This is a core proceeding under 28 U.S.C. § 157(b).

II. BACKGROUND FACTS

- 3. On January 19, 1999 (the "Petition Date"), Worldwide Direct, Inc., SmarTalk TeleServices, Inc. ("SmarTalk") and SmarTalk's eighteen (18) direct and indirect subsidiaries (collectively, the "Debtors"), filed separate voluntary petitions seeking relief under Chapter 11 of the Bankruptcy Code, 11 U.S.C. §§ 101, et seq.²
- 4. On January 20, 1999, the Bankruptcy Court signed its Order directing the joint administration of the Debtors' cases under Case No. 99-108 (MFW). On February 2, 1999, the Official Committee of Unsecured Creditors (the "Committee") was formed.
- 5. On January 19, 1999, the Debtors filed their motion to sell substantially all of the assets of the Debtors' respective bankruptcy estates to AT&T Corp. On or about March 18, 1999, the Bankruptcy Court entered its order authorizing and approving the sale.

The subsidiaries are SmarTalk USPS Sales Co., a Delaware corporation; GTI TeleCom, Inc., a Florida corporation; USA Telecommunications Services, Inc., a North Carolina Corporation; SmarTel Communications, Inc., a Delaware corporation; SMTK NY-1 Corp., a New York corporation; Creative Network Marketing, Inc., a Delaware corporation; SmarTalk (Delaware) Corp., a Delaware corporation; SMTK Acquisition Corp., a Florida corporation; Conquest Telecommunication Services Corp., a Delaware corporation; SmarTalk Acquisition Corp., a Nevada corporation; Conquest Communications Corp., an Ohio corporation; Conquest Long Distance Corp., an Ohio corporation; Conquest Operator Services Corp., an Ohio corporation; SmarTel, Inc., a Massachusetts corporation; SmarTel International, Inc., a New York corporation; SmarTel Communications of Virginia, Inc., a Virginia corporation; and Conquest Operator Services, LP, a Delaware corporation.

- 6. On or about April 27, 2000, the Debtors and the Committee filed their Disclosure Statement with Respect to the Second Amended Consolidated Liquidating Chapter 11 Plan for SmarTalk TeleServices, Inc. and Affiliates, Dated April 27, 2000, Proposed by the Debtors and by the Official Committee of Unsecured Creditors (the "Disclosure Statement"). On May 13, 2000, this Court entered its Order Approving (A) Adequacy of Information in Disclosure Statement with Respect to the Joint Plan of the Debtors and the Committee; (B) Form, Scope, and Nature of Solicitation, Balloting, Tabulation and Notices with Respect Thereto; and (C) Related Confirmation Procedures, Deadlines and Notices (the "Approval Order").
- 7. As set forth in the Approval Order, this Court authorized the Debtors and the Committee to transmit the Disclosure Statement and Plan to the holders of Claims and Interests and to thereby solicit the holders of Claims and Interests to vote to accept the Plan. On July 26, 2000, the Bankruptcy Court commenced a hearing concerning confirmation of the Plan. That hearing was concluded on August 7, 2000.
- 8. On June 7, 2001, the Court entered its Findings of Fact, Conclusions of Law, and Order Confirming Second Amended Consolidated Liquidating Chapter 11 Plan of Reorganization for SmarTalk TeleServices, Inc., and Affiliates, Proposed by the Debtors and by the Official Committee of Unsecured Creditors (the "Confirmation Order"). Pursuant to the Confirmation Order, the Court confirmed the Plan as modified therein and, among other things: (i) approved the creation and transfer of the Remaining Assets to the Liquidating Trust; (ii) appointed Goldin Associates, L.L.C. and Harrison J. Goldin as the Liquidating Trustee; (iii) named the members of the Liquidating Trust Board; and (iv) authorized the Liquidating Trustee

to implement the provisions of the Liquidating Trust Agreement (the "Trust Agreement") incorporated by the Plan on the Effective Date.³

- 9. All of the conditions precedent to the Effective Date of the Plan have occurred and the Effective Date of the Plan was established as June 30, 2001. On July 3, 2001, the Liquidating Trustee served a Notice of Effective Date in accordance with the provisions of the Plan.
- On or about June 29, 2001, prior to the Effective Date, the Debtors and the Committee filed their Joint Motion of the Debtors and the Official Committee of Unsecured Creditors for Order Effecting Non-Material Modification and Clarification to Confirmed Chapter 11 Plan (the "Motion to Modify"). In their Motion to Modify, the Debtors and the Committee requested that this Court approve a non-material modification of the Plan to permit the Liquidating Trustee to request that this Court enter a Final Order approving the allowance of resolved and undisputed Claims at any time, and prior to the expiration of the Plan's one hundred twenty (120) day claim objection period (the "Claim Objection Period"). (The Debtors and the Committee requested that modification to the Plan to provide the Liquidating Trustee with a procedural mechanism to make a substantial Initial Distribution without the necessity of having to exclude from that distribution certain Claims that appeared to accurately reflect liabilities of the Debtors' estates, but that had not become fixed by entry of a Final Order.)
- 11. On July 12, 2001, this Court entered its Order granting the Motion to Modify and approving the proposed modification to the Plan (the "Modification Order"). As set forth in the Modification Order, Section 7.1 of the Plan now provides:

As provided in the Modification Order (defined herein), Goldin Associates, L.L.C., is now the sole Liquidating Trustee.

Notwithstanding anything to the contrary in this Section 7.1, at any time after the Effective Date, the Liquidating Trustee in its discretion may determine and deem any particular Claim to be an Allowed Claim prior to the expiration of the Liquidating Trustee's one-year period for objection to Claims, provided that such Claim is not the subject of a pending objection; provided, however, that any such determination by the Liquidating Trustee shall not become effective until the Bankruptcy Court has entered a Final Order, following the provision of notice and the opportunity for a hearing to all parties who request notice of such matters in the manner prescribed in the Notice of the Effective Date to be mailed pursuant to Section 11.4 of this Plan, determining that the Claims at issue shall constitute Allowed Claims.

III. DISCUSSION

1

- 12. The Plan provides, among other things, that the Liquidating Trustee shall make interim distributions to the holders of Allowed Claims. See Plan §§ 8.3 and 9.3.6. In particular, the Plan provides that the Liquidating Trustee shall make an Initial Distribution from the Distribution Reserve established under the Plan. Thereafter, the Liquidating Trustee is required to make further interim distributions quarterly (subject to the availability of a minimum amount of unreserved funds). See Plan § 8.3. The Plan also provides that the "Initial Distribution Date shall be the Effective Date of the Plan or as soon as practicable thereafter but in no event later than ninety (90) days after the Effective Date." By that date, the Liquidating Trustee is required to have made the Initial Distribution. See id.
- During the course of these jointly administered cases, the Debtors and the Committee undertook significant efforts to resolve whether and in what amounts and priorities Claims filed by or on behalf of Claimants should be allowed. As part of those efforts, the Debtors and their professionals investigated and reviewed the Debtors' books and records in connection with ascertaining the amount and priority of the Claims against the Debtors and whether each of those Claims was liquidated, non-contingent or disputed. On March 10, 1999,

the Debtors filed their Schedules of Assets and Liabilities (the "Bankruptcy Schedules"). The Bankruptcy Schedules detail, among other things, those Claims that the Debtors determined were liquidated, non-contingent and undisputed (collectively, the "Undisputed Scheduled Claims").

- 14. Prior to the Effective Date, the Debtors' management professionals, Executive Sounding Board Associates, Inc., retained Jay Alix & Associates Case Management Services, t/k/a Monger & Consultants, LP ("JA&A"), to assist in reconciling each proof of claim that either: (i) was not identified in the Bankruptcy Schedules as an Undisputed Scheduled Claim; or (ii) was identified in the Bankruptcy Schedules as an Undisputed Scheduled Claim, but in a different priority class or amount than indicated on the proof of claim.
- 15. The Liquidating Trustee, through its retention of ESB and ESB's retention of JA&A, continued the claims reconciliation process initiated by the Debtors after the Effective Date. Based on its efforts to reconcile the Claims described above, JA&A has provided the Liquidating Trustee with reports indicating which reconciled proofs of claim are accurate in amount and priority class as filed (collectively, the "Undisputed Filed Claims").
- 16. The Liquidating Trustee, upon investigation, has determined that, in general, the Bankruptcy Schedules reliably identify and describe all Undisputed Scheduled Claims and that the reports issued by JA&A reliably identify and describe all Undisputed Filed Claims.
- 17. Thus, as a result of its investigation, the Liquidating Trustee has determined that except for certain Claims that may be subject to offset or disallowance on grounds not previously considered by the Debtors or JA&A, all Undisputed Scheduled Claims (to the extent not superseded by the filing of a proof of claim in a different amount or priority class) and all

Undisputed Filed Claims should be determined to be Allowed Claims (collectively, the "Proposed Allowed Claims").

- 18. The Proposed Allowed Claims are identified and described in the schedules of Allowed Claims attached as Exhibits "A-1" and "A-2" to the proposed form of Order hereto (collectively, the "Allowed Claims Schedules"). The Allowed Claims Schedules identify and describe each Proposed Allowed Claim by reference to (among other things): (i) claim number; (ii) the name of the holder of each Claim; and (iii) the allowed amount and the priority class of each Claim.
- Date to file claim objections. See Plan § 7.1. The Liquidating Trustee believes that it is appropriate and consistent with its duties and obligations under the Plan and the Trust Agreement to permit the holders of the Proposed Allowed Claims to participate in the Initial Distribution to be made by the Liquidating Trustee and other interim distributions that may be made prior to the one-year objection deadline. Accordingly, the Liquidating Trustee requests that this Court determine that the Proposed Allowed Claims are Allowed Claims in the amount and priority class indicated in the Allowed Claims Schedules.

⁴ The schedule of Allowed Claims labeled as Exhibit "A-1" lists claims in descending order of allowed amount. The schedule of allowed claims labeled as Exhibit "A-2" lists claims in alphabetical order by the name of the claimant.

⁵ Each Undisputed Scheduled Claim and each Undisputed Filed Claim is identified in the Allowed Claims Schedules under the claim identification column by the prefix "SO" or by proof of claim number, respectively. A significant number of Claims have already been established as Allowed Claims pursuant to various Final Orders entered by the Bankruptcy Court in the bankruptcy cases. Those claims are identified in the Allowed Claims Schedules as having been Allowed either by "court order" or "pursuant to settlement".

IV. RELIEF REQUESTED

Accordingly, for the foregoing reasons, the Liquidating Trustee requests that this Court (i) enter an order substantially identical to the form of Order attached hereto and thereby provide for the allowance of the Proposed Allowed Claims, as defined herein, in the amounts and priority class indicated in the Allowed Claims Schedules and (ii) grant such other and further relief to which the Liquidating Trustee may be justly entitled. The Liquidating Trustee also requests that it be permitted to amend the Allowed Claims Schedules prior to entry of the proposed form of Order to eliminate any Claim that the Liquidating Trustee determines may be subject to bona fide dispute or which the Liquidating Trustee determines is listed in an incorrect amount or priority.
