RE: Year 2001 Local Competition Report Data Request

Needless to say that we are sorry that this report was not filed in a timely manner. It was completed on July 10, 2001 and for some unknown reason, it was not mailed. It could have been that the report was headed "2001 ALEC DATE REQUEST" and we assumed that we were a "CLEC COMPANY".

At the time the report was completed in July 2001 and currently, we only have four local telephone customers in Florida. We are a "ReSeller" only and we purchase our service from BellSouth in Florida.

We understand that since we did not file the report in a timely that we are due penalties. We would like to make an offer to pay \$50.00 per line for each customer we have in Florida, which would be a total of \$200.00.

We want to thank you in advance for your understanding in this matter.

Sincerely,

Larry E. Miller
