Re: Norcom, Inc. Notice of Expansion of Operations

Dear Ms. Hawkins:

This letter should serve as notice of the intention of Norcom, Inc. to expand its Florida local exchange operations to include the provision of facilities-based local exchange services. By Order of this Commission in Docket No. 991465-TX issued on December 30, 1999, Norcom, Inc. was granted Certificate No. 7298 authorizing it to operate as an ALEC within the State of Florida. At that time, the Company operated as a reseller of local exchange service, and will now expand its operations to provide facilities-based local exchange services. Facilities will be limited to those necessary to provide UNE-P services.

Absent contrary action by this Commission, the Company will begin providing facilities-based services within the State of Florida.

Please acknowledge receipt of this filing by returning the additional copy of this notification in the self-addressed envelope provided.

Thank you, and please call with any questions.

Sincerely,

Monica Borne Haab
