Kim, I'll actually have to leave the letter where it is, because it was filed that way. But I will put a copy of your e-mail in the docket file as well (in Docket 010120, that is).

Ms. Masterton:

I am in receipt of your letter dated February 12, 2001, in which Sprint has requested the withdrawal of its filed agreement with CAT Communications, International.

Unfortunately, your letter is referencing the wrong docket number. Your letter references Docket 010120-TL, which is Sprint's request of extension of time to meet collocation provisioning intervals at Altamonte Springs Central Office.

The correct docket number for the matter at hand is Docket 010019.

Please submit immediately a new letter referencing the correct docket number. I will request from our records division that they remove the letter in question from the files of Docket 010120, which involves Sprint and Time-Warner.

Thank you in advance for your immediate attention to this matter.
