Since the first recommendation went to agenda, was voted on, and show cause order issued, the current recommendation is not "revised" under any of the scenarios set out in SOP 1607.

Would you be agreeable to our whiting out the word "revised" on the first page of this rec so there will be no possibility of confusion?

Kay

The original recommendation for 010130 went to agenda on 2/20/01 and was a show cause (fine or cancel). This recommendation is revised because it is a settlement offer by the company.

The first page of this recommendation is labeled "revised." What does that mean?
