Subject: Frontier Communications of America

Jennette:

We can't file the Frontier Communications of America adoption of agreement of Global Crossing Local Services, Inc. and Global Crossing Telemanagement, Inc. because in the adoption papers their certificated name is not listed. Their name is Frontier Communications of America, Inc. The Commission will throw any agreement out that does not have the certificated name on it exactly like their web page. If you could talk to Frontier and they would agree to let you add Inc. to the adoption papers we could swap those pages before we file the agreement.

Let me know what you want to do.

Thanks.

Tanya
