.....
Bill,

Although this is not the official notice required under APM section 5.02, I wanted to let you know as soon as possible that I had a discussion today with Jerry Johns of Sprint Corporation. Jerry extended an offer of employment. I have not yet decided whether to accept the offer. I advised Commisisoner Deason yesterday that I had a meeting with Mr. Johns scheduled for today wherein I thought that he would want to discuss employment with the Company. Last Thursday night at the PURC conference in Gainesville Mr. Johns indicated that he wanted to schedule a meeting to discuss filling a vacancy in the legal department. At the time the discussion centered more around any recommendations I would have for filling that vacancy.

I intend to follow this email up with a formal memo. However, since the 5 working day deadline for reporting contacts is drawing near and because of this afternoon's developments, I wanted to be sure to notify you as quickly as possible. I am copying Rob Vandiver due to his capacity as counsel to the Commissioners.

Re: Notification of Address Changes/Modifications

Dear Ms. Bayo:

Recently the Florida Public Service Commission received copies of modifications to addresses and representatives for certain entities of MCI WorldCom. The Company has subsequently changed its e-mail address. Also, staff has brought to my attention that not all of the changes have been incorporated.

To avoid any confusion, attached is the most current list of the entities, and the information required by the Commission, including the company liaison, and how to contact him or her. Please note the correct zip code for the regulatory contact for BLT Technologies, Inc., and Southernnet Systems, Inc., and the change in regulatory liaison for LDDS WorldCom, ATC Long Distance, and Biz Tel Corporation.

Thank you for your assistance in this matter. If you have any questions, please do not hesitate to contact me at your earliest convenience.

I represent Time Warner and need to update the e-mail address for the person listed as the Time Warner contact on the PSC website.

If you go to the list of ALECs, and select Time Warner Connect, the e-mail address for Carolyn Marek is marek.carol@aol.com. This address is obsolete and should be updated to carolyn.marek@twtelecom.com.

Could you also include the new address under the Time Warner Telecom listing?

Also, could you search the website and update her address each time it appears?

Please let me know if you have any questions or whether I need to contact someone else to update the address.

Thanks!

Thanks, guys. Sounds like a well-reasoned conclusion.

I concur with Kim's analysis. Please place it in the file with the underlying agreement and update the tables to show that MCI will continue operating under the existing agreement.

I've read the letter and while I does not have the signature of Sprint, according to language in the underlying agreement, MCI need only provide Sprint written notification of its intent to continue the agreement.

Therefore, I need to defer to legal as to whether or not this needs to be docketed. I think that because the letter is merely stating the intent of MCI, pursuant to the terms of the underlying agreement, that it need not be a new docket, but instead a copy of the letter can be placed with the underlying agreement and the tables updated to indicate the new expiration date.

Beth/Kim: your input, please.

Kim

We received from MCI a renewal letter to renew its interconnection agreement with Sprint for one year. Do we open a docket on this?
