Dear Ms. De Mello:

Reference: Docket #010518, WS, Aloha Utilities Rate Case.

I am a customer of Aloha Utilities in the Seven Springs area. Having read Aloha's request in Docket #1010518 WS, I believe that I am adversely effected the referenced Docket. I wish to become a party to this Docket. I believe that as a customer, who will be forced to pay higher rates, I have a right to tell the customer's side of the story. I also believe that any hearings held on this Docket should be in the New Port Richey Area. By holding the hearings in New Port Richey the commission can hear the customer thoughts and feelings about Aloha Utilities' quality of service and customer satisfaction. Granting any increase to Aloha without hearing the customers would be the equivalent of a "gag order"

Sincerely,

Edward O. Wood
