RE: Intercepted Communications From an Interested Party Received in Docket No: 970809-TP

This office has received the attached correspondence from Mr. John H. Vaughan, St. Joseph Telecommunications. The correspondence has not been viewed or considered in any way by Commissioner Deason. Under the terms of the advisory opinion from the Commission on Ethics (issued July 24, 1991 as COE 91-31-JULY 19, 1991), the following letter does not constitute an ex parte communication by virtue of the fact that it was not shown to the Commissioner. Because it is not deemed to be an ex parte communication, it does not require dissemination to parties pursuant to the provisions of Section 350.042, Florida Statutes. However; in such cases Commissioner Deason has requested that a copy of the correspondence and this memo be, as a matter of routine, placed in the correspondence side of the file in this docket.

The delay in submitting this memorandum was due to waiting for a docket number to be assigned.

Dear Mr. Deason:

St. Joseph Telephone & Telegraph Company, The Florala Telephone Company, Inc., and Gulf Telephone Company will be filing, on or about July 1, 1997, a petition with the Florida Public Service Commission seeking approval to consolidate Gulf Telephone Company and The Florala Telephone Company, Inc., into St. Joseph Telephone & Telegraph Company, to transfer the certificate of public convenience and necessity of Gulf Telephone Company and The Florala Telephone Company, Inc. to St. Joseph Telephone & Telegraph Company, and to change the name of St. Joseph Telephone & Telegraph Company to GTC, Inc. This is an internal corporate restructuring of the three telephone companies which are already owned by the same company. There will be no change in rates or service as a result of this petition; essentially, the only visible change to customers as a result of the proposed consolidation will be a change in the name of the telephone company to GTC, Inc.

Customers will be notified of the consolidation and related activities through notices in their bills to be issued in July, 1997. There will also be publications of legal notices in newspapers of general circulation.

Your assistance in this matter is greatly appreciated.

Very truly yours,

THE FLORALA TELEPHONE COMPANY, INC.

 RE: DOCKET NO. 970808-TP - PETITION OF BELLSOUTH TELECOMMUNICATIONS, INC. FOR REMOVAL OF ST. JOSEPH TELEPHONE AND TELEGRAPH COMPANY'S INTERLATA SUBSIDY

The prehearing and hearing in this docket are currently scheduled for March 9 and March 20, 1997. The parties are in agreement that more relevant information will be available after the first of the year; thus, a request has been made to move the hearing dates a couple of months further into the future. Staff has informed me that they agree that this will be beneficial to the gathering of information in this docket. In addition, no orders have been issued in this docket.

Upon review, I agree that moving the hearing dates will be beneficial.
