OK. Talked with Bob, this case was settled, we have no further need for the information and the documents can be sent back to the Company.

Wayne, you were lead staff for the OPR on this docket, meaning (per procedure) you will need to advise us on disposition of these confidential documents now that the docket is closed. Can they be returned to the source? If so, please send a brief memo advising the documents can be returned.

Let me know if questions. Thanks.

Kay

Hi Wayne,

I had sent an e-mail to Mary Anne Helton & should have sent it to you. Anyway, the documents listed below have not had any action taken on them yet in closed docket 010740-TP. Could you review the list and send a memo to CCA as to the return of the documents ? thanks.

Marguerite, this needs to be directed to Wayne Makin, as lead OPR staff. He should send a memo directing return (I expect that, anyway).
