Dear Ms. Cowdery:

Enclosed are the updated lists of utilities in the three counties noted above. As noted in my earlier letter to you dated December 7, 2001, due to the location of Palm Valley in Seminole County, and less than one mile from Orange County, you will find one of the lists is Orange County. Please refer to Commission Rule 25-30.030, Florida Administrative Code for noticing requirements.

Some of the lists contain two addresses for the Department of Environmental Protection and the water management districts, because the jurisdiction of these two agencies does not always follow county boundaries. Send the notice to the proper district office for the system involved.

The county lists are valid for sixty days. If you have not performed the noticing within that time frame, you must request an updated list.

If you have any questions, please contact Tom Walden at 413-6950.

Sincerely,
