RE: Docket 011073-WS, Application for Increased Water and Wastewater Rates in Broward county by Ferncrest utilities, Inc.

Declassification and Release of document 04985-02

On May 3, 2002, at the audit exit conference, Ferncrest Utilities, Inc., requested that portions of staff's working papers obtained during the rate case audit of "Ferncrest Utility Company" (Audit No. 02-029-4-2) be held as temporarily confidential according to the provisions of Rule 22.006(3)(a)(2), Florida Administrative Code.

On May 8, 2002, the staff filed these portions of the audit report and working papers with the Bureau of Records and Hearing Services (Document 04985-02).

On May 20, 2002, the utility filed a request that certain compensation information obtained by the auditor be granted a confidential classification (Document 05384-02).

On June 13, 2002, after discussions with the staff, the utility withdrew its request for confidential classification for material collected during the audit (Document 06168-02).

Because more than 21 days have passed and Ferncrest Utilities, Inc., has withdrawn its request for confidentiality for materials obtained during this rate case audit, Rule 22.006(3)(a)(2), FAC, provides confidentiality has been waived for this material.

We request that document 04985-02 be declassified and returned to the Bureau of Auditing.
