A Publication of PSC Actions Provided to Gov't. Officials November 26, 2002

Application for a Rate Increase in Charlotte County by Utilities, Inc. of Sandalhaven

Docket No. 020409-SU

On October 1, 2002, Utilities, Inc. of Sandalhaven (Sandalhaven or utility) filed an application for approval of interim and permanent rate increases with the Florida Public Service Commission (PSC or Commission). Sandalhaven provides wastewater service to approximately 1,000 customers in Charlotte County. Sandalhaven is located in Englewood on County Road 775.

The current rate case is being processed under the PSC's "Proposed Agency Action" (PAA) procedure. Under the PAA process, the case will not be set for a formal hearing unless a timely protest to the Commission's proposed agency action is filed.

On November 19, 2002, the PSC voted to suspend the utility's request for a permanent rate increase, but approved an interim rate increase of \$54,601, in order to allow the utility to maintain financial integrity for the period of the investigation of the requested rate increase. The interim rate increase may be subject to refund after the Commission has completed its investigation.

On Tuesday, December 10, 2002, PSC staff will hold a customer meeting for the purpose of providing customers and other interested persons an opportunity to comment and ask questions regarding the utility's proposed rate

increase and quality of service.

Based upon Sandalhaven's requested rates, a residential bill for 8,000 gallons would increase from \$32.72 to \$40.95 for wastewater. In accordance with Florida Statutes, the PSC will consider the utility's quality of service and other matters in this case.

PSC staff is scheduled to make a recommendation to the Commission on February 6, 2003, and the Commission vote on this matter is scheduled for February 18, 2003.

Re: Docket: 020409-SU- Utilities,Inc. of Sandalhaven

The proposed rate increase for residential customers...are very excessive!
"Interim rate" - 38.8%... "final rate - 53.3%... are outrageous.
Yes, we feel a moderate rate increase would be justified...and acceptable..
However..make it reasonable.

Not sure what is meant by "interim rate" and "final rate."

We will be unable to attend the meeting unfortunately..but let's hope
A more reasonable rate will suffice in order to keep the company in
Business.
