RE: Docket No. 030851-TP

Dear Ms. Bayo':

On January 7, in order to prevent delay in filing its rebuttal testimony in this docket, Sprint filed a Notice of Intent to Request Confidential Classification for certain information included in the Rebuttal Testimony of Sprint's witnesses Dr. Brian K. Staihr and Kent W. Dickerson. Upon review, Sprint has determined that the information contained in Sprint's filing, identified in Attachment A to this letter, is subject to previous claims or requests for confidential treatment. The confidential information filed by Sprint and the date of the filing of the claim of request for confidential treatment for such information is identified in Attachment A. Since confidential treatment has already been claimed or requested, Sprint is not filing a Request for Confidential Treatment for this information. However, such information should continue to be treated as confidential by the Commission in accordance with the previous claims or requests.

Please acknowledge receipt of this filing by stamping and initialing a copy of this letter and returning same to the courier. If you have any questions, please do not hesitate to call me at 850/599-1560.
