Re: Docket No. 030852-TP - MCI's Corrected Confidential Responses and Objections to Verizon's First Request for Admissions, First Set of Interrogatories and First Request for Production of Documents

Dear Ms. Bayó:

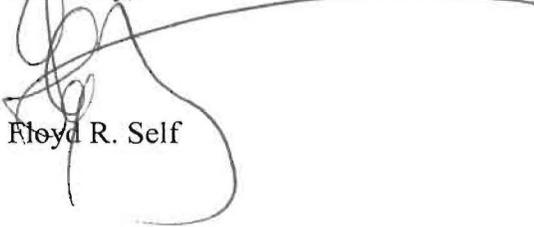

On January 30, 2004 MCImetro Access Transmission Service, LLC and MCI WorldCom Communications, Inc., served Responses to Verizon's First Request for Admissions, First Set of Interrogatories and First Request for Production of Documents including confidential responses. The bates numbering on Confidential Attachment D was inadvertently omitted. Attached is a copy of Confidential Attachment D with bates numbering and a claim of confidential material. There have been no changes to the actual confidential information.

Please acknowledge receipt of this letter by stamping the extra copy of this letter "filed" and returning the same to me.

Thank you for your assistance with this filing.
