Put the letter in the undocketed file. Staff has advised ComTech 21 to request a waiver of Rule 25-4.118, but to date they have not done so.

Jackie, we have a letter here from attorney Monica Borne Haab for Cybertel, Communications Corp. (TJ399) advising they have entered into agreement to sell customer base to ComTech21, LLC and they will no operate in FL.

What do we do with this letter, considering there is currently a compliance investigation docket, 030995-TI, open against Cybertel?

Kay

P.S. I see you were cc'd on the letter at least.
