**RE:** Docket No. 030072- TI - Bankruptcy cancellation by Florida Public Service Commission of IXC Certificate No. 7232 issued to PF.Net Network Services Corp., effective 12/31/02.

Request for Permission from Department of Financial Services to Write-Off the RAFs for the year(s) 2002 for PF.Net Network Services Corp., (TJ240)

On January 24, 2003, Docket No. 030072-TI was established to address TJ240's failure to remit RAFs for the year(s) 2002. By Order No. PSC-03-0366-PAA-TI, issued on March 18, 2003, the Commission approved the cancellation of TJ240's IXC Certificate No. 7232. The Commission further ordered that the outstanding Regulatory Assessment Fees not be sent to the Department of Financial Services for collection, but instead, that the Division of the Commission Clerk and Administrative Services should request permission to write-off the uncollectible amount.

Therefore, staff requests that Bureau of Administrative Services/Fiscal Services Section take the appropriate steps to seek permission from the Department of Financial Services to write-off the uncollectible RAFs for the year(s) 2002 for TJ240.

In addition, the Division of the Commission Clerk & Administrative Services will be notified that the 2002 RAF should not be sent to the Florida Department of Financial Services for collection, but that permission for the Commission to write-off the uncollectible amount should be requested if the certificate is cancelled in accordance with the Commission's Order from this recommendation.

## GENERAL INSTRUCTIONS

---

Provide as much information as possible for each account or returned check listed. Names should include legal entities as well as individuals. Principal Amount is the original amount of the debt excluding any service charge, penalty, and/or interest. Penalty/Interest Amount is the amount of the service charge, penalty, and/or interest due to date on the delinquent account or returned check. For those accounts subject to interest charges, please indicate the interest rate, method of calculation, and whether the rate is subject to change. Penalty/Interest Authority is the Florida Statutory and/or Florida Administrative Code citation authorizing the service charge, penalty, and/or interest on delinquent accounts and returned checks. Date Incurred is the date the account became delinquent; e.g., the date a check was returned marked NSF, the date an invoice was due to be paid, etc. Debt Type must be indicated using the codes listed at the bottom of the form.

In order to properly pursue a delinquent account the Bureau of Accounting and the collection agency, if used, require pertinent information about the debt and debtor. Such information regarding the debt should be provided in the area titled Debt Description and include the purpose of the original payment by check; type of goods/services provided; what, when, and where State property was damaged; when, why and what court ordered a payment; when and why a fine was issued; for what and when were State funds overpaid; etc. Additional Information about the debtor should include, if available, date of birth, driver license number, credit card type and number, names and addresses of relatives, and any other information that may be used to locate the debtor. The more the Bureau and the collection agency know about the debt and debtor the more likely the recovery of the debt.

To facilitate the transfer of moneys collected, each agency shall designate one FLAIR revenue account code to which all moneys will be transferred by the journal transfer. Agencies will be provided a detailed listing of amounts collected and collection fees charged for each amount. The Department will also provide instructions in accordance with Generally Accepted Accounting Principles on the appropriate method of recording the difference between any moneys collected and the amount of the delinquent account; i.e., treat the difference as cost of collection or provide approval for adjusting the balance of the account pursuant to Section 17.04, Florida Statutes.

Forms and Questions should be addressed to:

ORDER GRANTING CANCELLATION OF INTEREXCHANGE CARRIER  
CERTIFICATE DUE TO CHAPTER 11 BANKRUPTCY

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

PF.Net Network Services Corp. (PF.Net) currently holds Certificate of Public Convenience and Necessity No. 7232, issued by the Commission on August 7, 1999, authorizing the provision of Interexchange Carrier (IXC) service.

Pursuant to Section 364.336, Florida Statutes, certificate holders must pay a minimum annual RAF of \$50 if the certificate was active during any portion of the calendar year. Pursuant to Rule 25-4.0161 (2), Florida Administrative Code, the form and applicable

fees are due to the Florida Public Service Commission by January 30 of the subsequent year. All entities that apply for certification receive a copy of our rules governing Interexchange Carrier (IXC) service.

On July 23, 2002, the Commission received notice that PF.Net Network Services Corp. had filed for Chapter 11 bankruptcy protection. On January 17, 2003, the Commission received a letter dated January 13, 2003, from Ms. Kay Parry, Vice President of Corporate Operations, which advised that the company ceased operations on June 24, 2002, and requested cancellation of its IXC certificate. In addition, the company stated that it did not have any resources to pay the 2002 Regulatory Assessment Fee.

Chapter 11 of Section 109 of the Federal Bankruptcy Code provides for reorganization by business entities. The filing of a bankruptcy petition under Chapter 11 invokes an automatic injunction known as the Automatic Stay, codified in Bankruptcy Code Section 362. Section 362(b)(4) provides that, for governments, the filing of the petition does not operate as a stay of the enforcement of a judgment, other than a money judgment, obtained in an actual proceeding by a governmental unit to enforce such governmental unit's police or regulatory power. Thus, it would appear that we are not enjoined from exercising our police powers to protect public health, safety and welfare, but are enjoined from exercising our regulatory authority seeking to collect a pre-petition debt. However, in this case, the company has requested cancellation of its certificate. Under those circumstances, this Commission is free to do so. We note that the Division of the Commission Clerk and Administrative Services will be notified that the past due RAFs should not be sent to the Florida Department of Financial Services for collection, but that permission for the Commission to write-off the uncollectible amount should be requested.

Accordingly, we find it appropriate to cancel Interexchange Carrier (IXC) Certificate No. 7232, effective December 31, 2002. If PF.Net's certificate is canceled in accordance with this Order, PF.Net shall immediately cease and desist providing Interexchange Carrier (IXC) services in Florida. We are vested with jurisdiction over this matter pursuant to Sections 364.336, 364.285, and 364.335, Florida Statutes.
