Re: Docket No. ~~030172-TL~~ *031072-TL*

Dear Ms. Bayo:

This docket involves the petition of the CLEC Coalition regarding BellSouth Telecommunications, Inc.'s (BellSouth) compliance with the "50/50" plan related to the Change Management Process and the scope and content of the assessment Price Waterhouse Coopers is in the process of performing as to such compliance.

Progress has been made between the CLEC Coalition and BellSouth in attempting to resolve this matter and the CLEC Coalition is now awaiting the results of Price Waterhouse's attestation. Therefore, the CLEC Coalition and BellSouth request that this docket be held in abeyance until the Price Waterhouse attestation is complete at which time we can decide how to proceed.

The parties will advise you when the attestation is completed. Please contact me or Mr. Carver if you have any questions.
