Re: Docket No. 010977-TL
Quincy Telephone Company d/b/a TDS Telecom

Dear Ms. Blanca Bayo;

This letter is to request that the Florida Public Service Commission notify the Universal Service Administrative Company (USAC) and the Federal Communications Commission (FCC) that Quincy Telephone Company d/b/a TDS Telecom/Quincy Telephone ("Quincy") is eligible to receive federal high-cost support in accordance with the above-referenced statute and federal rule.

The amount of federal high-cost support that Quincy will receive in 2005 will continue to be used for the services and functionalities outlined in 47 C.F.R. §54.101(a) and as the attached affidavit shows Quincy certifies that it will only use the federal high-cost support it receives for the provision, maintenance and upgrading of facilities and service for which such support is intended.

This state certification for federal support is an annual process. In order to receive federal support beginning January 1 of each year, the Florida Public Service Commission must file its annual certification on or before October 1 of the year before.

Quincy respectfully requests that the Commission notify the FCC prior to October 1 of this year that Quincy is eligible to receive federal high-cost support for 2005.

Sincerely,

Kevin Hess
Vice President, Government & Regulatory Affairs
