Okay.

Based on the information in your e-mail, which I will print copies of and place in each docket, we will change the company names in each of the dockets to what you have shown in the memos.

Thanks.

No, leave them like whats on the memo. If they want them change, which I doubt, we will do it in a name change memo some time in the future.

Do you mean leave the names like we have them in CMS and MCD?

If so, we'll need corrected memos for each.

Nonnye

Tommy, Nonnye noticed on the memos for these 2 IXC registration dockets that the name of each as shown in the memo doesn't match the name as presented in the registration form. They are:

040682 - memo shows Xfone; registration form is XFone (F is capped)

040783 - memo shows Poltel; registation form is PolTel (T is capped)

1

Please check on these and let us know if we should update CMS and MCD. If not, we will need memos correcting since the memos serve as "orders" for the IXCs.

Thanks.
Kay
