VOTE SHEET

RE: Docket No. 020896-WS - Petition by customers of Aloha Utilities, Inc. for deletion of portion of territory in Seven Springs area in Pasco County.
Docket No. 010503-WU - Application for increase in water rates for Seven Springs System in Pasco County by Aloha Utilities, Inc.

Issue 1: Should Aloha's request for oral argument on its motion for reconsideration of Order No. PSC-04-0929-PCO-WS, or in the alternative, motion for bifurcation, be granted?

Recommendation: Yes. The request for oral argument should be granted if the Commission finds that oral argument will aid it in comprehending and evaluating the issues before it which are the subject of Issue 2 of this recommendation. If granted, oral argument on Issue 2 should be limited to five minutes for Aloha and five minutes for OPC (the only party that has filed a response to the motion). Because no request for oral argument accompanied Aloha's motion for reconsideration of Order No. PSC-04-1001-PCO-WS, oral argument on Issue 3 of this recommendation may be granted solely at the discretion of the Commission.
