Dear Ms. Bayo:

Subject: Staff's data request dated March 30, 2004 regarding
IntraLATA Toll Market Share for September 2004

Enclosed for filing is Verizon Florida Inc.'s response to Staff's March 30, 2004 data request regarding IntraLATA toll market share. Verizon considers the data provided in this response to be proprietary and is filing it under a claim of confidential treatment pursuant to 364.183(1), Florida Statutes and Rule 25.22.006(5), Florida Administrative Code. In that regard, attached are two redacted copies of the responses and a sealed enveloped containing one highlighted copy of the responses including the material which is confidential and proprietary. Verizon considers the highlighted information confidential because it contains the number of residence customers that are presubscribed to Verizon Florida for intraLATA toll. Competitors can use this information to gauge Verizon's market share. Verizon understands this information will be protected from public disclosure until returned to the Company.

If you have any questions or require additional information, please Debby Kampert of my staff at 813-483-2531.
