No. The address on the Request to Establish Docket form is the last one that I had, and someone signed the return receipt for that one back in August. I believe that the company is actively dodging its responsibilities, so it does not surprise me that documents are being returned. All we can do is attempt delivery at the address we have.

Melinda, FYI, the 11/03/03 agenda notice sent to Digitec on 10/23/03 was returned on 11/17/03, and marked "Not deliverable as addressed - unable to forward." The address in CMS was obtained from the Request to Establish Docket. Do you have another address for Digitec?
