I just discovered something in 040263-TP - it also includes two amendments, one of which is the same as that filed in DN 040221-TP. I've called BST and left a message for Robyn to call. I'm going to have her file a withdrawal letter for 040221-TP and an amended transmittal letter for DN 040263-TP to indicate it is an IURC with two amendments.

Will do. It wasn't obvious from the letter, but I've made the change per your e-mail.

Okay. I'll fill out a CASR revision. Also, the docket title of 040221 should be changed to incorporate all elements (IURC).

If the dates are changing on the CASR s as a result of BellSouth's letter, yes, you do need to revise the CASR.

Kay, since BST requested to delay the deadline for 040221-TP, do I need to file a CASR revision?

This letter/filing was made in error. Docket No. 040263-TP is an underlying agreement with two amendments. One of those amendments is duplicated in 040221-TP. She got the docket numbers backwards and will be filing a correction today.

What she meant to do was withdraw 040221-TP, not 040263-TP.
